What's the big idea behind our name change?
Well, it's simple. Lynchburg Federal has grown to cover a lot more than Lynchburg.
And, besides, the nation's 200th birthday seemed like a nice time for us to go American.
But some things you don't tamper with. Our savings rates are as friendly as ever and so are our people. So come see us.
If anything, we're a little friendlier now that we're making a new name for ourselves.
